Notice

All the teachers are informed that the portal of Internal assessment has opened. Therefore all are directed to enter the Internal Assessment of students timely so that eligible students are able to download their admit cards. Without verification of CCA the students will not be able to download their admit cards and the responsibility will be of the concerned teachers. Further new teachers who have not yet created ID and password, are directed to visit the website and select new registration to create their I'd and contact Prof. Monika Jaswal for approval of the same. Treat it as most urgent.
