Notice

All students who got an "F" grade in three or more subjects in their 1st or 2nd year results must apply for a rollback (Demotion) and get enrolled to their previous classes before September 25, 2023. If students have applied for a revaluation/rechecking in one or more subjects, they should also rollback to their previous classes. If any of them will improve their grades after the revaluation/rechecking and meet the minimum requirements for promotion in next class ("F" grade in at most two subjects), they will be allowed to move on to the next class once the revaluation/rechecking results are announced.
