Annexure–IV

SWOT Analysis of the Institution Based on Alumni Feedback (2023–24)

Strengths

1. Co-curricular and Extracurricular Engagement:

The institution demonstrates a strong focus on cultural activities, competitions, and student engagement through clubs and associations. These activities contribute significantly to the holistic development of students and help in enhancing confidence, particularly among introverted learners.

2. Quality of Education:

The provision of quality education has been identified as a key strength of the institution. This supports academic excellence and contributes to the institution's positive academic reputation.

3. Dedicated and Competent Faculty:

The presence of dedicated and competent faculty members contributes positively to the academic environment and effective teaching–learning processes.

4. Student-Friendly and Approachable Environment:

The institution is perceived as easily approachable, ensuring accessibility and fostering a supportive academic atmosphere for students.

5. Infrastructure and Academic Resources:

The availability of essential infrastructure, academic programmes, and teaching personnel is recognized as a strength supporting institutional functioning.

Weaknesses

1. Limited Practical Exposure:

Inadequate practical exposure related to academic programmes has been identified as a weakness, which may affect experiential and skill-based learning outcomes.

2. Inadequate Physical Infrastructure:

Shortage of classrooms, limited library space, and insufficient playground facilities adversely affect the optimal utilization of infrastructure.

3. Limited Digital and Online Presence:

An underdeveloped digital presence restricts institutional visibility, outreach, and potential academic collaborations.

4. Sanitation and Cleanliness Issues:

Concerns regarding cleanliness and hygiene in washrooms indicate the need for improved maintenance and monitoring mechanisms.

Opportunities

1. Upgradation of Academic and Physical Facilities:

The scope for introducing modern classrooms, well-equipped laboratories, enhanced library resources, and recreational facilities presents an opportunity for institutional development.

2. Strengthening Digital Outreach:

Enhancement of the institution's online presence can facilitate improved communication, wider outreach, and increased student enrolment.

3. Academic Support Mechanisms:

The introduction of structured academic support systems such as remedial coaching, mentoring, tutoring, and study skills workshops can strengthen student learning outcomes.

Threats

1. Inadequate Faculty Strength:

Shortage of faculty members in certain departments poses a challenge to maintaining an optimal student–teacher ratio and sustaining academic quality.

2. Need for Infrastructure Expansion:

The growing student strength necessitates timely augmentation of existing infrastructure to meet future academic and administrative demands.

Conclusion

The SWOT analysis based on alumni feedback provides valuable insights into the institution's strengths, areas requiring improvement, emerging opportunities, and potential challenges. Strategic planning focused on addressing identified weaknesses and threats, while effectively leveraging strengths and opportunities, will support continuous quality enhancement and sustainable institutional growth in alignment with IQAC objectives.
