### **Mechanisms for Submission of Online/Offline Student Grievances**

The institution follows a transparent and time-bound mechanism for resolving student grievances, including matters related to sexual harassment and ragging.

#### **• Implementation of Statutory/Regulatory Guidelines**

All grievance-related cells and committees are constituted strictly as per the norms and guidelines issued by the respective statutory and regulatory bodies. In addition, the IQAC develops and issues relevant guidelines to ensure the proper functioning of each committee.

#### **• Institution-Wide Awareness and Zero-Tolerance Policies**

A comprehensive three- to four-day orientation programme is organized annually for all students. This programme covers key aspects such as major campus activities, the student code of conduct, HPU registration and examination procedures, CCA, MTT, scholarships, NCC, NSS, R&R, library rules, and the grievance redressal system. The institution also disseminates important information through dedicated WhatsApp groups and a central Telegram group to ensure that student-related issues are promptly communicated and addressed.

### **Mechanisms for Submission of Student Grievances**

College students can submit their complaints through Offline Grievance Submission and Online Grievance Submission. The details of both modes of complaint submission are given below:

#### **1. Offline Grievance Submission**

- Suggestion and complaint boxes are placed at strategic points across the campus to collect students' concerns.
- A designated committee reviews the submissions regularly and ensures timely action.
- Mentor–Mentee meetings are conducted 3–4 times during the academic year to facilitate direct interaction and address individual concerns.
- Contact information of sensitivity and support committees—such as the Women Cell, Anti-Ragging Cell, SC/ST & Minority Cell, and OBC Cell—is prominently displayed across the

campus and on the college website.

- Official email IDs, contact numbers, and postal addresses are also made available on the website for easy access.
- Regular communication is maintained between the College Student Council Association (CSCA) representatives and the administration to address issues promptly.

## 2. Online Grievance Submission

- Students can submit their grievances through the dedicated Online Grievance Portal available on the college website.
- A unified Common Online Students' Grievances System, integrated with the website, enables students to submit concerns specific to each statutory cell for quick and structured redressal.
- The institution also conducts annual surveys covering all stakeholders—students, parents, and employees. These surveys serve as an important platform for individuals to express their concerns freely.
- This proactive feedback mechanism reflects the institution's commitment to continuous improvement and efficient grievance resolution.

### Timely redressal of grievances through appropriate committees

- All committees are responsible for promptly addressing grievances received through both online and offline modes. The College's Internal Quality Assurance Cell (IQAC) and Advisory Committees closely monitor the resolution process to ensure that all stakeholder complaints are resolved within one week. This proactive system reflects the institution's commitment to maintaining a responsive and supportive environment through swift and efficient grievance redressal.

## Anti-Ragging Cell

'Ragging' means the doing of any act which causes, or is likely to cause any physical, psychological or physiological harm of apprehension or shame or embarrassment to a student, and includes

- (a) Teasing or abusing or playing Practical joke on, or causing hurt to any student.
- (b) Asking any student to do any act, or perform anything, which he/she would not, in the ordinary course, be willing to do or perform.

Ragging is different from other crimes because the motive is solely to get perverse pleasure. Ragging is also different from other crimes as it is actively promoted by certain sections of society.

## SC/ST Cell

The SC/ST Cell is an important component of educational institutions. In educational institutions, the SC/ST Cell is responsible for promoting the welfare and interests of students and staff belonging to the Scheduled Caste (SC) and Scheduled Tribe (ST) communities. The cell acts as a bridge between the administration and the SC and ST students and staff, addressing their grievances and facilitating their participation in academic and extracurricular activities.

The SC/ST cell of the College was established with the purpose of empowering the SC/ST students in the College. The College takes a special interest in facilitating financial support to students from these communities from government agencies and other sources. They are also encouraged to enroll in career orientation & skill enhancement programs, which would equip them with the necessary skills to choose career options.

## EQUAL OPPORTUNITY CELL MPGDC AMB DIST. UNA H.P.

The Equal Opportunity Cell (EOC) in a college is dedicated to fostering an inclusive and equitable academic environment for all students, regardless of their background. It actively works to prevent discrimination based on caste, gender, disability, or socio-economic status and ensures compliance with government policies on equality. The EOC addresses grievances, provides counseling support, and organizes workshops, seminars, and training programs to raise awareness about diversity and inclusivity. It also facilitates scholarships, academic assistance, and accessibility measures for students with disabilities. By promoting equal access to opportunities and resources, the EOC plays a crucial role in creating a fair, supportive, and empowering campus environment.
