1. Feedback taken from the local market area for the Rally conducted by Road Safety Club, dated: 18/03/25

The feedback from local community (local market) was collected on papers through a questionnaire. The objective of the feedback is to collect opinions from community members about the impact, effectiveness and areas of improvement for the extension activities. In this survey feedback of 18 people was collected and compiled.

Below are the compiled responses of the local community.

<https://docs.google.com/spreadsheets/d/1jPYzOqkDxPfzQjVZ-R2TWIzRjL-9ZdQdG44P7G91q0/edit?gid=782453404#gid=782453404>

Analyses of the feedback responses:

Key Findings from the Feedback

- **Age Group Distribution:** Majority of respondents fall in the 31–45 and 46–60 age brackets, showing strong middle-aged participation.
- **Occupations:** Shopkeepers form the largest group.

Rally Effectiveness

- **Usefulness of Information:** Most respondents found the rally useful or very useful, with only a few neutral or negative responses.
- **Community Benefit:** The rally was widely seen as beneficial or very beneficial, especially in spreading awareness about helmets, seat belts, speed limits, and drunk driving.
- **Accident Reduction Potential:** A majority believe such rallies **can reduce accidents**, though some expressed uncertainty (“maybe”).

Overall Ratings

- Ratings of the college’s extension activities mostly fall between **4 and 5**, showing strong approval.
- A few respondents rated lower (2–3), citing lack of publicity, inadequate resources, and limited community participation as challenges.

Analyses of the feedback responses:

Key Insights from the Charts

- **Gender Distribution:** 75% of respondents were male, 25% female.
- **Age Groups:** The largest group was **46–60 years (45%)**, followed by **31–45 years (25%)**.
- **Occupation:** Shopkeepers dominated (55%), showing strong engagement from the local business community.
- **Sources of Information:** Most participants learned about the drive through **college students (40%)** and **direct observation (30%)**, while social media and newspapers had smaller roles.
- **Ratings:** The rally was rated highly — **45% gave 5 stars**, **30% gave 4 stars**, with only one low rating (1 star).
- **Benefit Perception:** Majority found it **Beneficial (45%)** or **Very Beneficial (30%)**, with only a small share neutral or somewhat beneficial.

Overall Rating:

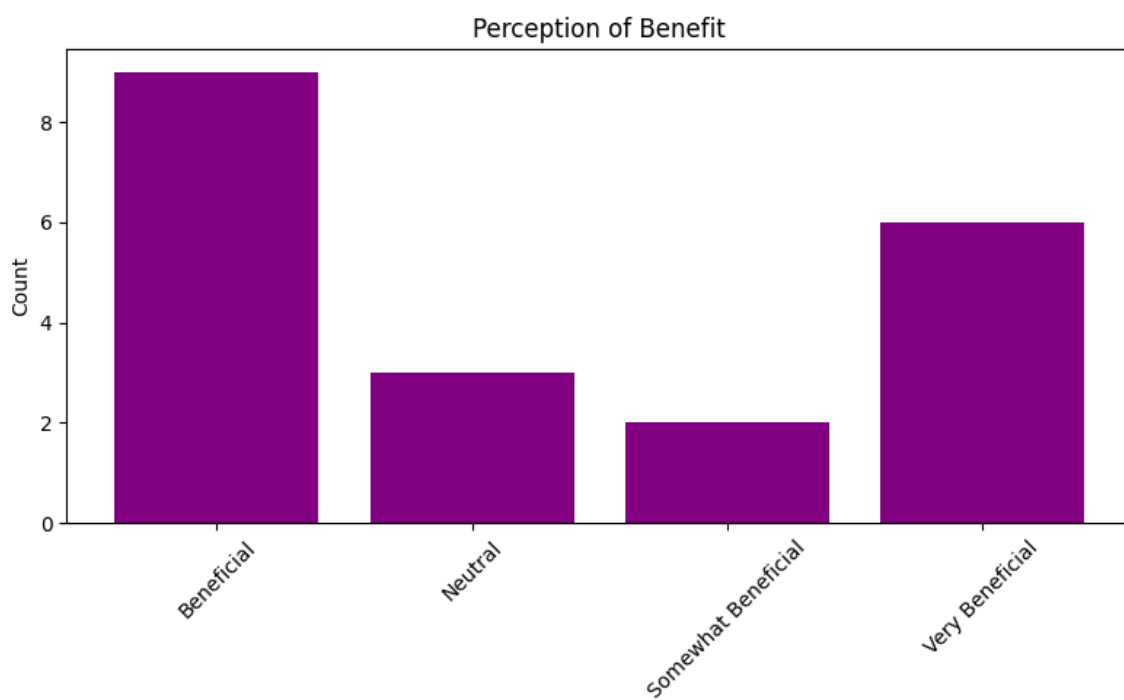

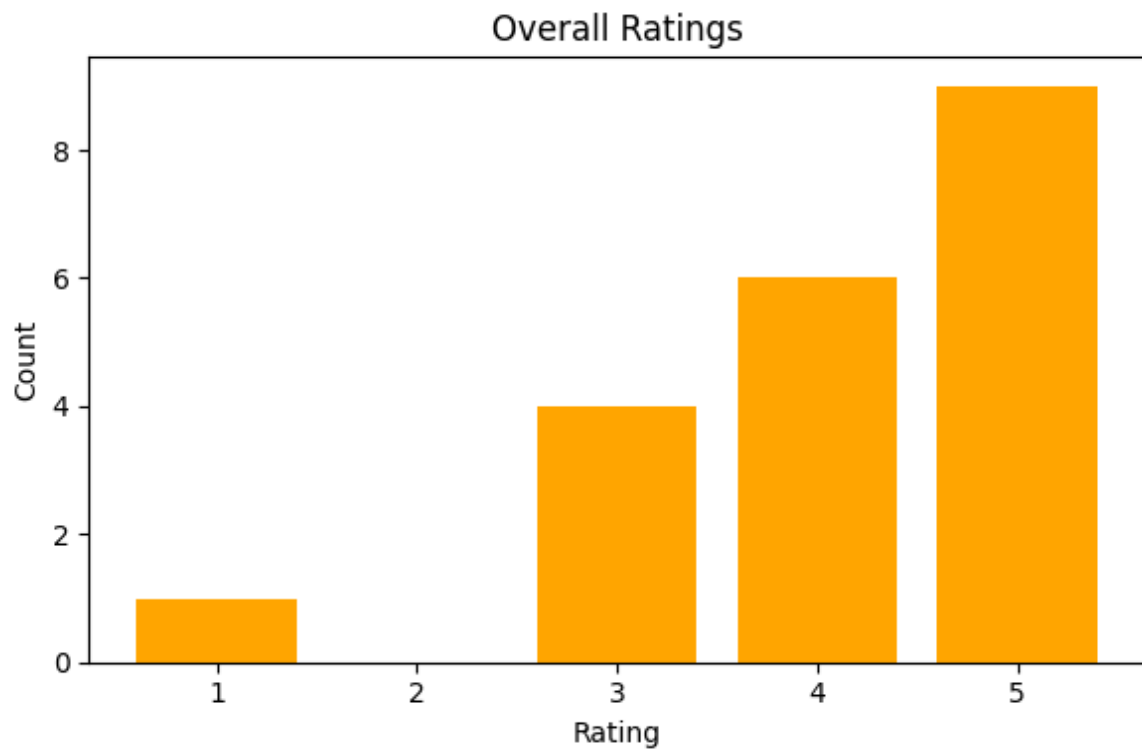

- The **student participation** was crucial in spreading awareness, as reflected in the sources of information.
- **Community buy-in** is strong: most respondents agreed the drive motivated them to keep surroundings clean and would support future programs.
- The **high ratings** and positive benefit perception suggest the outreach activity was impactful and well-organized.
