Coders Ready skill development Programs and Certifications are globally accepted and empower B.Sc., BCA, MCA, BBA, MBA, B. Com, and PGDCA students to achieve their career goals faster.

We are delighted to express our interest in collaborating with Maharana Pratap Govt. Degree College Amb to enhance the skill development of their students. This Memorandum of Understanding (MOU) outlines the framework and commitments for our joint efforts to empower students with essential skills and knowledge to thrive in today's competitive professional landscape.

1. Objective:

The primary objective of this 'Memorandum of Understanding' is to promote cooperation/collaboration between **Maharana Pratap Govt. Degree College Amb** and **Coders Ready** to promote skill development, experiential learning through high-end multidisciplinary engineering tools and technologies among youth to provide them opportunity to learn and earn global certifications, through their active participation in Industrial Training Programs. These programs are to be conducted to strengthen the **'Make in India' and "Skill India' initiatives of Govt. of India**, expected to boost the employability of young aspirants at the National and international levels.

2. Scope of Collaboration:

a) **Training Programs:** Our organization will conduct specialized skill development training programs designed to develop students' skills in Artificial Intelligence, Data Science, Machine Learning, Cloud Computing, Full Stack Web Development, Networking, User experience(UX), Information security, Risk Analysis, Penetration Testing, Technical support, Automation, Robotics, DevOps, Supply Chain Management, Quality assurance, Compliance, Data administration, Data analysis, Data visualization, Big data, Project management, Digital Marketing, Blockchain developer. These programs will be tailored to meet the industry's demands and align with the Latest curriculum of Engineering.

b) **Workshops and Seminars:** We will organize interactive workshops and seminars in college on various topics and give hands-on experience on new technologies, featuring industry experts and professionals as guest speakers.

c) **Internships:** CODERS READY will offer internship opportunities to selected students, allowing them to gain practical work experience in a real-world setting.

d) **Knowledge Sharing:** Both parties agree to share relevant educational resources, research findings, and best practices related to skill development.

e) **Innovation Lab:** The Coders Ready team will assist the college in the setup of the innovation lab by sharing expert knowledge. We can help college not only recognize the game-changing ideas that are already on the table but also implement processes that help serially deliver incredible innovations. Whatever the goals of your innovation lab, we are here to support you in creating lasting competitive advantages.

f) **Tech fest -** In order to provide a platform where the students can showcase their technical skills, Coders Ready and College jointly organize a technical festival every year. Coders Ready helps students in AI or IoT-based model building. The college will arrange the funding to organize the fest.

3. Responsibilities:

a) CODERS READY

i. Design and deliver skill development programs and schools, workshops, boot camps, and Code-a-thons as per the agreed schedule. Coders Ready acts as an Industry Institute Partnership Cell work to bridge the gap between the institute and industry and to promote industry interaction in various dimensions of academics. Coders Ready focuses on identifying the industrial needs and preparing the students with potential skills required by the industry.

ii. Provide necessary resources and expertise (Industrial experts and teaching faculties) to facilitate successful implementation.

iii. Facilitate internship opportunities and ensure a conducive learning environment for students during their tenure with our organization.

iv. Counselling session with Industrial persons to motivate students.

v. Coders Ready will conduct an assessment of each candidate as per international norms specified for each training program and on successful completion, the participant will be awarded with Global Certification approved by GAAFS.

b) Maharana Pratap Govt. College

i. The college will provide the required Infrastructure, necessary facilities like proper internet, PCs for students, projectors, video conferencing facility, etc., and also provide one- or two-day accommodation during Industrial experts visits or Coders Ready team visits in college.

ii. Promote skill development initiatives among students and encourage their active participation.

iii. The college will appoint a coordinator to carry out this activity at their center and announce suitable incentives for them to achieve the annual training target. The coordinator may be a full-time employee or have a part-time association with the college. The coordinator will be trained by Coders Ready; the duration of training will be 3 days. This training will help them to identify potential benefits and technical insight of the programs and also to learn marketing strategies to promote these programs among BCA, BBA, B.Sc., B.Com., and PGDCA students.

iv. Coordinate with relevant departments and faculty to integrate the skill development programs into the curriculum.

v. Assist in arranging workshops, seminars, and other collaborative events on campus.

vi. College will designate Coders Ready as its knowledge partner for training programs jointly organized by both parties.

4. Duration:

This MOU shall be effective from the date of signing and remain in force for a period of Three years (academic Session 2023-24, 2024-25, 2025-26). Upon expiration, both parties may mutually agree to extend its validity through a written addendum.

5. Review and Evaluation:

Both parties shall conduct periodic (Biannual) reviews to assess the effectiveness and impact of the skill development programs. Necessary modifications and improvements shall be made based on the feedback received from students and relevant stakeholders.

6. Confidentiality:

Any confidential information shared between the parties during the course of this collaboration shall be treated with the utmost confidentiality and not disclosed to any third party without prior written consent.

7. Termination:

In the event either party wishes to terminate this MOU before its expiration, a written notice of ONE MONTH shall be provided to the other party.

We believe that this collaboration will create valuable opportunities for the students of Maharana Pratap Govt. Degree College Amb and contribute significantly to their professional growth. We look forward to signing this MOU and commencing our joint efforts toward a brighter future for the students.

This is to be read at all times in conjunction with the extent MOU signed on and in consonance with its letter and spirit.

IN WITNESS WHEREOF the parties hereto set and subscribed their hands and seal the day and year first herein above written.
